

Discover breakthrough solutions

To provide
exceptional patient care

At Philips, we understand that you're dedicated to providing the technology support that doctors, surgeons, and nurses need to provide exceptional patient care. And that's why we're dedicated to delivering cutting-edge solutions to meet your everyday needs.

Visit our booth at AAMI 2013 to see the latest innovations from Philips. From intuitive touchscreen devices to new service plans designed to simplify your workday – you can get an inside look at all of our breakthrough solutions.

Experience innovation at booth 219. Or visit www.philips.us/AAMI before, during, or after the show.
